MaxiTRANS Finance Behind Every Australian Industry

During a period where many transport fleets and owner operators may be experiencing difficulty in accessing suitable finance options for the purchase of new transport equipment or refinancing existing equipment, MaxiTRANS Australia and its Victoria Branch division is setting new benchmarks in building customer relationships through the MaxiTRANS Finance Program.

The program offers all Freighter, Maxi-CUBE and Lusty EMS buyers access to competitive leasing and financing programs which can be tailored to meet individual requirements.

Approved applicants will enjoy the potential benefits of being able to reduce costs, consolidate debt and optimise cash flow, all in a one stop solution.

MaxiTRANS Finance specialists, Rohan Ford and Don Leale, both have extensive knowledge and experience in heavy equipment finance across a range of industries.

Their depth of understanding of the road transport industry enables them to package effective personalised deals for customers and provide them with facilities and finance structures tailored to suit their specific needs.

Rohan is clearly excited about the potential of this program for customers, stating that *"With MaxiTRANS Finance, we are providing transport fleets and owner operators with genuine opportunities to invest in their own business so that they can continue to grow and prosper. By dealing with people who understand all facets of financing to the transport industry, customers will always be one step ahead and can be confident knowing their finance package is well suited to their operation."*

With a valuable network of industry contacts, MaxiTRANS Finance is equipped to deliver the full service through to settlement, ensuring the whole process is as

seamless and efficient as possible. MaxiTRANS Finance can also provide a range of funding alternatives for other capital equipment needs and insurance premiums.

Naturally, MaxiTRANS Finance recommends that its customers obtain independent financial and taxation advice regarding their personal and business circumstances prior to entering into a finance contract.

To find out how the MaxiTRANS Finance Program can help your transport business, please call 03 8368 1111 or email finance@maxitrans.com.au.
