## **Freighter Maxi-CUBE Queensland (FMQ) Expands For Growth and Opportunity**

Business growth has provided Queensland's leading trailer dealership, Freighter Maxi-CUBE Queensland (FMQ) with the opportunity to expand its sales team through the appointment of Paul Martin, Eric Ey and Michael Wooller as Area Sales Managers, providing sales support for both the Freighter and Maxi-CUBE range of trailers.

Paul brings 19 years of industry experience to his role and has extensive knowledge of the Australian transport market. A diesel mechanic by trade, Paul has enjoyed a distinguished sales career, specialising in both light and heavy duty commercial vehicles. Servicing the Brisbane and northern Queensland region, Paul is looking forward to the new opportunities and diversity that trailer sales can provide, commenting that he was *"proud to be representing market leading brands Freighter and Maxi-CUBE and is looking forward to working with customers and providing them with solutions that will cater to their logistics needs"*.

Eric Ey will be based in the transport hub of Toowoomba, reaffirming the dealership's commitment to the region. Eric has 15 years sales and manufacturing experience in trailers as well as light and heavy vehicles sales. Eric will focus on Central and Western Queensland including customers in the fruit growing regions of the Granite Belt and Burnett, where his expertise in refrigerated transport will be well-regarded.

With the addition of Michael Wooller to the sales team to service both the Brisbane and Southern Queensland region, customers will have a dependable and experienced representative at their disposal and will benefit from his intimate knowledge of both trailer technology and transport operations.

Sales Director for Freighter Maxi-Cube Queensland, Mark Kelly, is delighted to have Paul, Eric and Michael join the team adding that *"all three bring tremendous experience and integrity to their role and their attention and commitment to customer care will ensure both new and existing clients will benefit from high levels of service."*

Located at 1773 Ipswich Road, Rocklea, Freighter Maxi-CUBE Queensland has been a specialist in trailer equipment since 1979, providing customers with new and used

trailers, replacement parts as well as convenient workshop service and major insurance repairs. Sales enquiries can be made to 07 3277 5511 or visit their website, [www.freightermaxicube.com.au](http://www.freightermaxicube.com.au).
